

HOW TO BUY A BUS TICKET IN ROVANIEMI?

If you are visiting Rovaniemi, we recommend buying single tickets or 24-hour tickets. In case you plan to stay longer or you live in Rovaniemi and use buses on a regular basis, travelling is always cheaper with a value ticket or a season ticket.

Single ticket You can purchase single tickets on the bus in cash or with the most common bank/credit cards. You can also purchase single tickets with the Waltti Mobile app or from the Waltti ticket machine. The validity starts from the moment of purchase. The ticket allows you to transfer from one vehicle to another within 60 minutes.

24-hour ticket You can purchase 24-hour tickets at Osviitta Service Point. The ticket is valid for 24 hours from the moment of activation on the bus. You can also purchase 24-hour tickets with the Waltti Mobile app or from the Waltti ticket machine. Tickets are valid from the moment of purchase.

Value ticket requires a Waltti travel card. You can load the card with a certain amount of money, for example 20 euros. The sum will be spent as the card is used. You can transfer from one vehicle to another within 60 minutes.

Season ticket requires a Waltti travel card. The ticket allows you to travel as much as you want for 30 days. You can also purchase season ticket using Waltti Mobile app. The mobile season ticket is valid from the moment of purchase.

You can get and load the first Waltti card at Osviitta service point or at Waltti online store (waltti.fi). The card can be reloaded at Osviitta, R-kiosks (Ounasvaarantie 15, Koskikatu 20, Pohjolankatu 13), with Waltti ticket machine, on the buses and online (waltti.fi).

Travel zones

Rovaniemi is divided into travel zones that radiate from the centre. The centre of the city, University of Lapland and Arctic Circle (Santa Claus Village) belong to zone A.

The number of zones you travel through during your trip will determine your fare. You can check the borders of your own travel area in a timetable book or online at linkkari.fi.

Fares

Ticket type	Children (0–16 years)		Youth (17–24 years) & students		Adults
