Please note that you can only pay for one person's trip or trips at a time with contactless payment.

## Tips for travel

If you want to get on a bus, put your arm out to stop the bus. Use the front door to board the buses. Children aged 0-6 do not need a ticket when accompanied by an adult. (max 2 children) Rovaniemi is divided into travel zones that radiate from the centre. The centre of the city and Arctic Circle (Santa Claus Village) belong to zone A. In case you plan to stay longer or you live in Rovaniemi and use buses on a regular basis, travelling is always cheaper with a value ticket or a season ticket.
